Pennsylvania Lottery September Coupon Promotions 2013

Please redeem ALL PA Lottery coupons, which come in different sizes, shapes and on different types of paper. Our VIP Players Club members may print their own coupons at home. These are single-use coupons that Lottery has sent to them. If you redeem one and the message "already used" appears, explain to your customer and ask them to call the PA Lottery with any questions. If an error message is displayed, that means you are not redeeming properly. Home-printed coupons include redemption instructions on the front of the coupon. Thank you for your cooperation.
