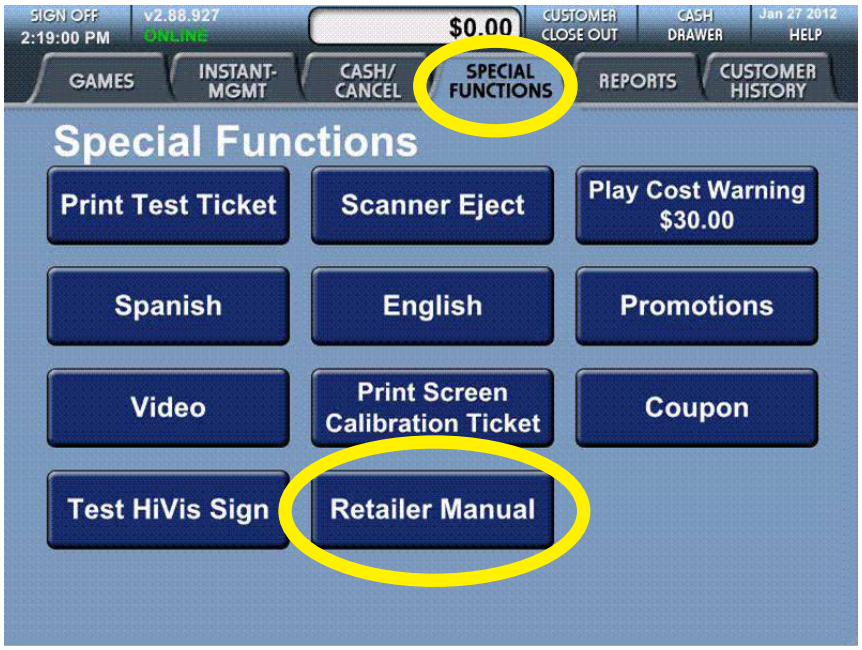
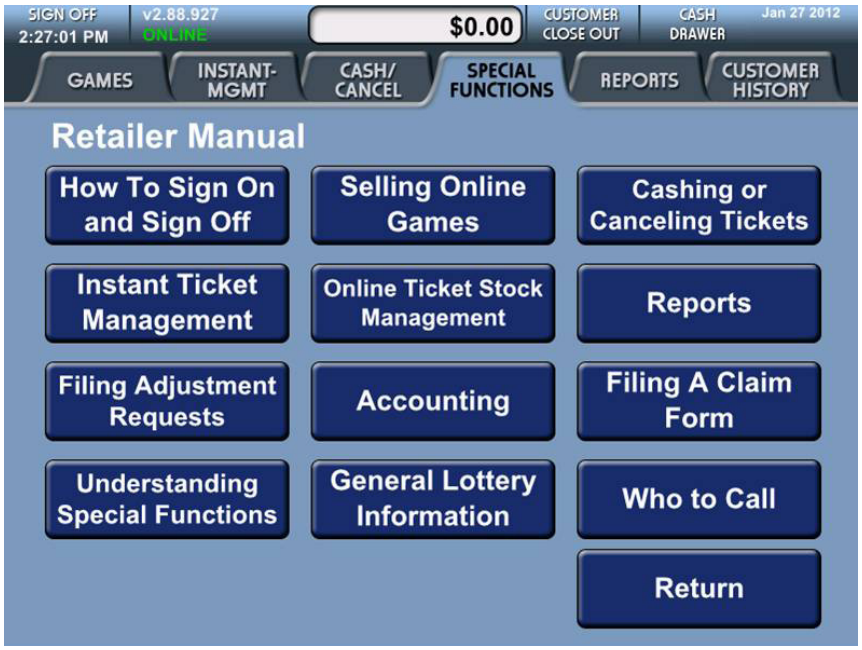
New Retailer Manual Available

The PA Lottery Retailer Manual is now available on the WAVE terminal. The manual includes instructions on using the WAVE terminal, managing and selling both instant and online tickets, and filing various reports and forms. It also has important phone numbers and general information.

To access the Retailer Manual, choose the Special Functions tab at the top of the WAVE screen.



Select the Retailer Manual button to access the Retailer Manual home screen.



For additional information, please contact your District Lottery Representative.
