

We can "Connect" with each other on Social Media

As a Pennsylvania Lottery retail partner, we encourage you to "connect with us" on social media! If you have a social media presence, here are some examples of fun ways we can share Lottery information and engage with your fans and followers.

The PA Lottery is active on the following social platforms:

www.youtube.com/palottery

One way to, connect with us is by "liking" the PA Lottery's Facebook page, "following" us on Twitter, and/or "subscribing" to us on YouTube.

With over 9,000 retail partners, it is difficult to locate all those involved in social media, so if you follow us, we will follow you back!

After you connect with us, you can "share" and/or "re-tweet" PA Lottery content with your social community. Below are some examples:

PA Lottery tagged a retailer in a Facebook post about a winning ticket

Congratulations to Tim Gillott of Denver, York Co.! Tim won \$1 million on the Instant Millions instant game he purchased at the Turkey Hill Minit Markets in Denver! Tim routinely takes his instant tickets home to scratch them with the same buffalo quarter he's always used. When he realized that he'd won a million dollars, he and his family were stunned.

Tim Gillott, of Denver, Lancaster County, won \$1 million on the Instant Millions instant game.

A retailer shared a PA Lottery Facebook post with its followers about a new instant game:

A retailer posted about a jackpot:

In addition to sharing and re-tweeting Lottery social media posts, you can also "tag" the PA Lottery accounts in your posts about the Lottery. To tag the PA Lottery on Twitter, include "@palottery" in your tweet.

Here's an example of a Lottery retailer that sold and paid out an instant game worth \$500. They took a picture of the ticket and then told their Facebook fans about it!
