Aug. 16 - Sept. 16, 2013

HOW IT WORKS

*Each individual CASH 5 ticket that has a value equal to or greater than \$5 will equal one entry. Complete an entry and deposit in a drawing box where your ticket was purchased.

Examples:

- A seven-draw, \$1 CASH 5 ticket (a \$7 transaction) = one entry.
- 10 plays of CASH 5 would receive two entries because it prints on two \$5 tickets.
