## Pennsylvania Quinto Terminal-Based Lottery Game

[38 Pa.B. 4166] [Saturday, August 2, 2008]

Under the State Lottery Law (72 P. S. §§ 3761-101--3761-314) and 61 Pa. Code § 875.4 (relating to notice of terminal-based lottery game rules), the Secretary of Revenue hereby provides public notice of the rules for the following terminal-based lottery game:

- 1. *Name*: The name of the terminal-based lottery game is Pennsylvania Quinto. The game will commence at the discretion of the Secretary, and will continue until the Secretary publicly announces a suspension or termination date.
- 2. *Price*: The price of a Pennsylvania Quinto ticket is \$1 per play. Additional plays may be purchased at the discretion of the player. A ticket will contain one play but a ticket can be valid for multiple drawing dates, also known as draws.
  - 3. Description of the Pennsylvania Quinto lottery game:
- (a) Pennsylvania Quinto is designed to give players the opportunity to win one prize in each play. Players can win a prize by matching the winning numbers or a combination of the winning numbers randomly selected by the lottery as determined and publicly announced by the Secretary.
- (b) For a \$1 purchase, the player gets a ticket indicating the type of play requested: Straight, Front 4, Back 4, Front 3, Back 3, Front Pair, Back Pair or Box. A ticket for a Straight or Box play will contain five numbers, each ranging from 0 to 9. A ticket for a Front 4, Front 3 or Front Pair will contain the numbers selected by the player or through the Quick Pick option. Asterisks will follow the numbers so that a combination of numbers and asterisks, totaling five characters, will appear on the ticket. A ticket for a Back 4, Back 3 or Back Pair will contain the numbers selected by the player or through the Quick Pick option. Asterisks will precede the numbers so that a combination of numbers and asterisks, totaling five characters, will appear on the ticket.
- (c) Players can win a prize identified in Section 6(a) (relating to prizes available to be won and determination of prize winners) by matching the winning numbers or a designated combination thereof as required by the play type designation and number selections.
  - 4. Pennsylvania Quinto bet slip and ticket characteristics:
- (a) To purchase a ticket, the player shall remit to an on-line retailer the purchase price and submit the completed Pennsylvania Quinto bet slip. The ticket shall contain the numbers selected, the drawing date or range of dates for which the ticket is entered, a

designation that the ticket is for the day drawing or the night drawing, the total cost of the bet, the designation of the type of play and validation number data. The types of play that may be designated by the player are Straight, Front 4, Back 4, Front 3, Back 3, Front Pair, Back Pair or Box. Depending on the numbers appearing on a box ticket, the Box play will be a 5, 10, 20, 30, 60 or 120-way box type of play. The ticket shall be the only valid proof of the bet placed, and the only valid receipt for claiming a prize. The ticket shall only be valid for the drawing entered, whether the day drawing or the night drawing, and the drawing date or range of dates printed on the ticket. A separate ticket will be issued for each play but a ticket can be valid for multiple drawing dates.

- (b) Pennsylvania Quinto bet slips shall be available at no cost to the player. Through the use of a bet slip the player may select from one to five different number selections, the play type for each number selection and the number of drawings in which the number selections are played. For each additional number selection the player shall complete an additional game on the bet slip. Plays shall be selected in accordance with the instructions printed on the Pennsylvania Quinto bet slip. A Pennsylvania Quinto bet slip has no pecuniary or prize value and does not constitute evidence of the purchase of a ticket or the numbers selected.
- (c) The minimum wager is \$1 for each play entered in a drawing. A play can be entered into additional drawings for \$1 per drawing.
- (d) If Pennsylvania Quinto bet slips are unavailable, the designation of the type of play, whether the play is for the day drawing or night drawing, drawing date or dates for which the ticket is entered and number selections may be given to an on-line retailer for each play. The retailer shall manually enter the type of play, whether the play is for the day drawing or night drawing, drawing date or dates for which the ticket is entered and number selections into the Lottery terminal.
- (e) A player may exercise the Quick Pick option, by indication on the bet slip or making the request to an on-line retailer. The player must also request the type of play, designate whether the play is for the day drawing or the night drawing and the drawing date or dates for which the ticket is entered
- (f) The player may use a bet slip or the Quick Pick option at a Lottery self-service terminal, also known as a Player Activated Terminal. The player must designate the type of play, whether the play is for the day drawing or night drawing, drawing date or dates for which the ticket is entered and number selections.
  - 5. *Time, place and manner of conducting drawings.*
- (a) Time of drawing. A Pennsylvania Quinto drawing will be held as determined and publicly announced by the Secretary.
- (b) Place of drawing. A Pennsylvania Quinto drawing will be conducted in the Harrisburg, Pennsylvania area unless the Secretary directs and publicly announces that a drawing or part of the drawing procedure be conducted at another location.
- (c) Manner of conducting drawings. The Lottery will select, at random, five numbers from 0 through 9, with the aid of mechanical devices or any other selection methodology as authorized by the Secretary. The five numbers selected will be used in determining winners for each individual drawing. The validity of a drawing will be determined solely by the

Lottery.

- 6. Prizes available to be won and determination of prize winners:
- (a) Determination of Pennsylvania Quinto prize winners for tickets correctly matching the winning numbers selected by the Lottery are:
